

Western Edinburgh Neighbourhood Network Directory of Community Services

Corstorphine - Drumrae – Gyle - Roseburn -
Murrayfield

A listing of key community organisations and service providers, to support mental and physical wellbeing, and community engagement opportunities to help tackle social isolation.

The website is also available in many languages including Gàidhlig na h-Alba / Polski / اردو / 中文 / українська

This directory attempts to list services for people local to Corstorphine, Drumrae, Gyle, Roseburn and Murrayfield. We appreciate that there are many other commercial services and activities in the area but have tried to limit this to those open to local people at low or no cost.

The links in this document take you to a searchable online listing of the [Western Edinburgh Neighbourhood Network](#) Directory created by volunteers at zero cost. The section headings or Quick Response (QR) codes throughout this document take you to the appropriate section of the Directory online.

Please contact tommy.awvsf@gmail.com or elaine.lennon@edinburgh.gov.uk if any info is out of date or missing. We aim to update this as much as we can, and hope that you will share on your websites and with your networks.
